

# CRISTEL GRAPHICS LIMITED

## QUALITY POLICY STATEMENT

Cristel Graphics Ltd. is committed to, and operates, the formal Quality Management System BS EN ISO9001:2008 to provide a clear focus for the whole organisation, management and employees, to:

- consistently provide product that meets customer and other requirements
- continually improve the effectiveness of the Quality Management System, using objectives set by the Directors and senior managers during the Management Review meeting and measuring performance against those objectives
- aim to enhance customer satisfaction

Thus, it is mandatory that all personnel adhere to the requirements documented in the Quality Manual.
