

TimeLOG offers

- Built-in template employee agreements: use-as-is, customize or define your own
- Global absences: enables multiple employee periodic absence definitions
- Weekly, bi-weekly, semi-monthly, monthly and flexi pay periods
- Accommodates fixed and flexi-time schedules
- Comprehensive PDF format on-line help
- Monitoring and planning absence forecast screen
- Access control for small to medium-size enterprises
- Display online Totals and employee Balance (only on TCP/IP by using the SY-Server)
